

Welcome to Australia

Imagine traveling the world with no commitments but to study and learn about new cultures. What better way to experience life than in the heart of the city; a vibrant, exciting metropolis.

There's no better place to be, to play in and explore Australian culture with your new found friends and classmates.

Sydney

Sydney is home to some of Australia's most recognisable sights – including the Harbour Bridge and the world famous Opera House. Located in Sydney's central business district, we're only a hop, skip and jump away from it all...

Melbourne

Melbourne is full of attractions. From laid back laneways and lush parks to grand libraries and museums, all wrapped up in a vibrant atmosphere (and a stunning food destination). And where are we? Right in the heart of it all...
