

ABOUT US

EQUALS was founded over 30 years ago, with the dream of promoting and developing human potential. Today we are an independent tertiary education provider offering nationally recognised and accredited courses to local and international students.

Our diverse students enjoy a holistic approach to adult education and are supported by transformational learning principles within an enriching environment. With a range of courses and microcredentials across areas in Health and Nursing, Human Services, Integrative Health, Aged and Community Services, Mental Health, Disability, Leadership and Management, early Childhood Education and Care, we deliver high quality learning experiences for our students, who in turn enjoy high rates of graduate employment and further study pathways.
