# QAT

# ELICOS

The General English program is for students who want to improve their language proficiency for personal growth, increased professional opportunities, travel and social interaction.

Students are challenged to develop both fluency and accuracy as well as cross-cultural communication skills in the General English program. These classes provide the opportunity to practice English in the real world by engaging in tasks and activities outside of the classroom.

Our IELTS program equips students with valuable knowledge and skills for the IELTS test.
